

Ambulance Employees Association of Western Australia

AEAWA ShopRite Information Package

Dear Member,

The executive committee are very pleased to announce a new, free benefit to membership of the AEAWA.

In addition to our long-standing offerings of Professional Indemnity Insurance, Journey Cover Insurance, Bereavement Benefit Scheme and access to our preferential Income Protection Insurance scheme, we have now partnered with **ShopRite** in order to provide even more benefits to our members.

The AEAWA are proud to utilise a Western Australian owned and operated company which has been serving Western Australians since 1996. Being a WA service, there are many more benefits and offers available locally, and **ShopRite** offers a vastly superior, premium service in comparison to other 'union shopper style' services.

ShopRite saves members as much money as possible on life's essentials, helping save on electrical appliances, motor vehicles, furniture, trades, services, lifestyle & recreation etc.

The AEAWA, being wholly independent and not funding any political party factions, have managed to absorb the cost of this new service, meaning our members continue to pay just **\$20** per fortnight (\$10 weekly), compared to a minimum of **\$32** per fortnight through other unions.

Naturally, **ShopRite access is for financial members of the AEAWA only**, and access will cease once a member becomes non-financial.

The AEAWA are constantly investigating ways to develop additional benefits for our members and hope to announce some new benefits in the near future.

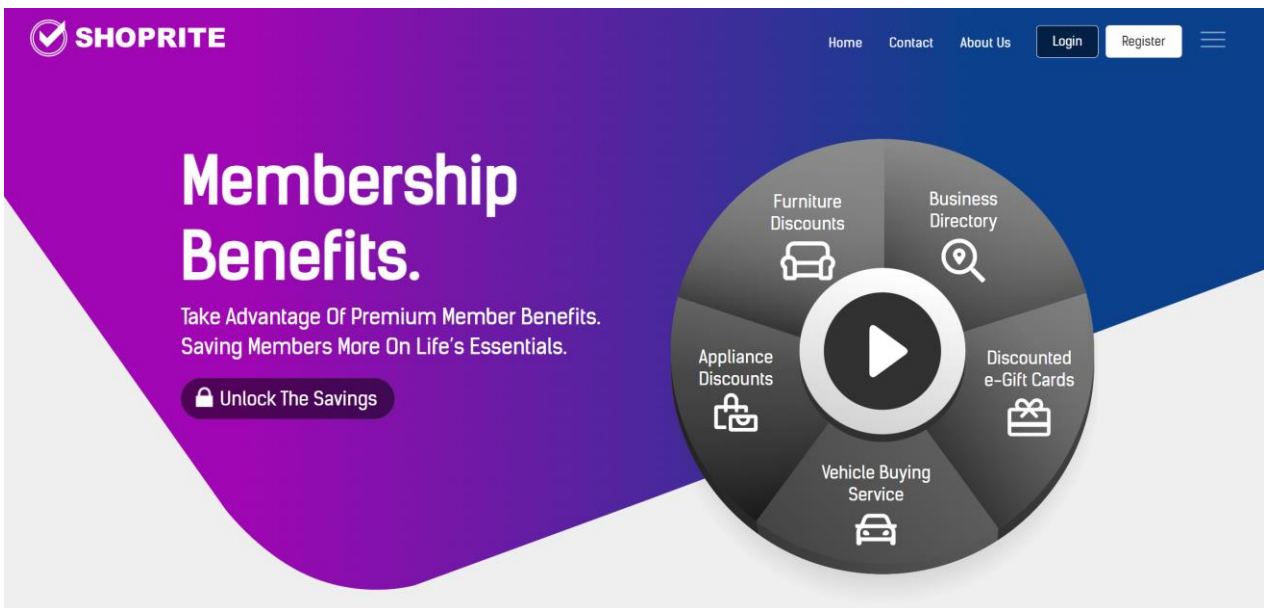

As you are a financial member of the AEAWA, this service is free. To join **ShopRite** and start saving there are some steps you must follow.

Step 1

Firstly, if you have moved address since you have become a member of the AEAWA, you will need to update your postal details. Please email lee.waller@aeawa.com.au and update any changed information. **ShopRite** only holds this information to ensure you are a financial member of the Association. They DO NOT distribute those details to any external individual, party, or organisation.

Step 2

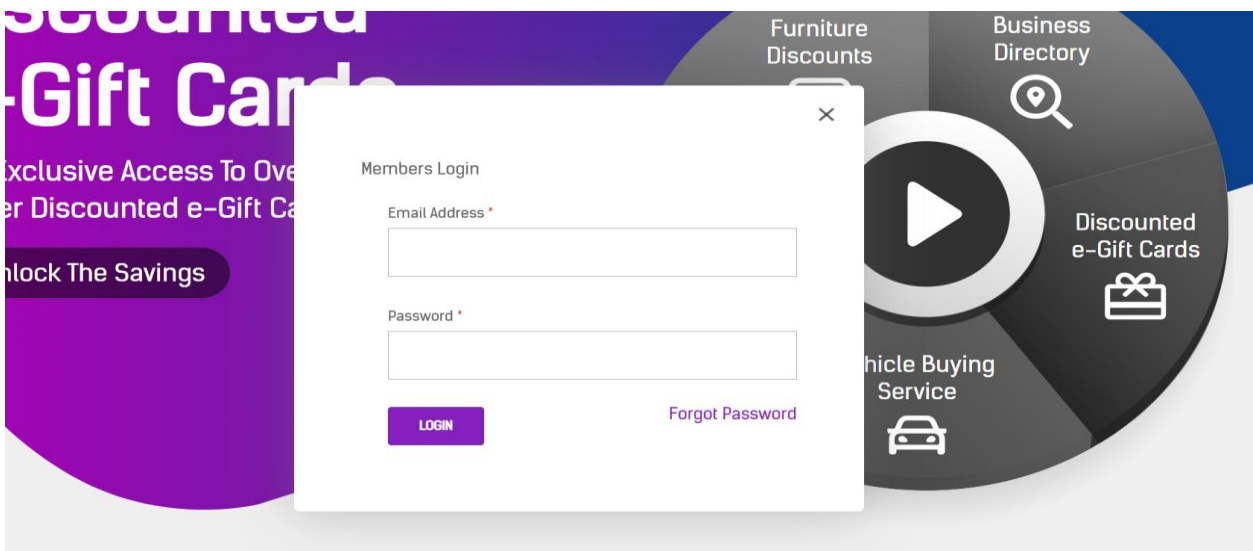

Once your AEAWA member details are up to date please go to www.shoprite.com.au where you will see the below screen.

Go to the Register tab and enter your details. Your email address **cannot** be your personal email address, it must be your Employer email address joe.bloggs@stjohnwa.com.au, it also cannot be your ap email ap12345@stjohnwa.com.au.

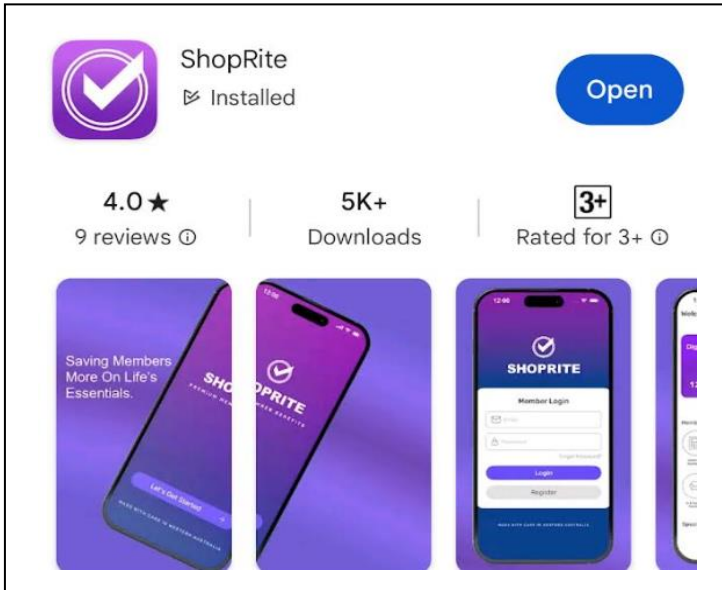

The password you create is held at **ShopRite** and not the AEAWA, so forgotten password retrieval is managed through **ShopRite** only. Once registered, you will receive an email address to your work email. Information on how to Login for future use will be found there.

When you have access to the Login page it will look like this.

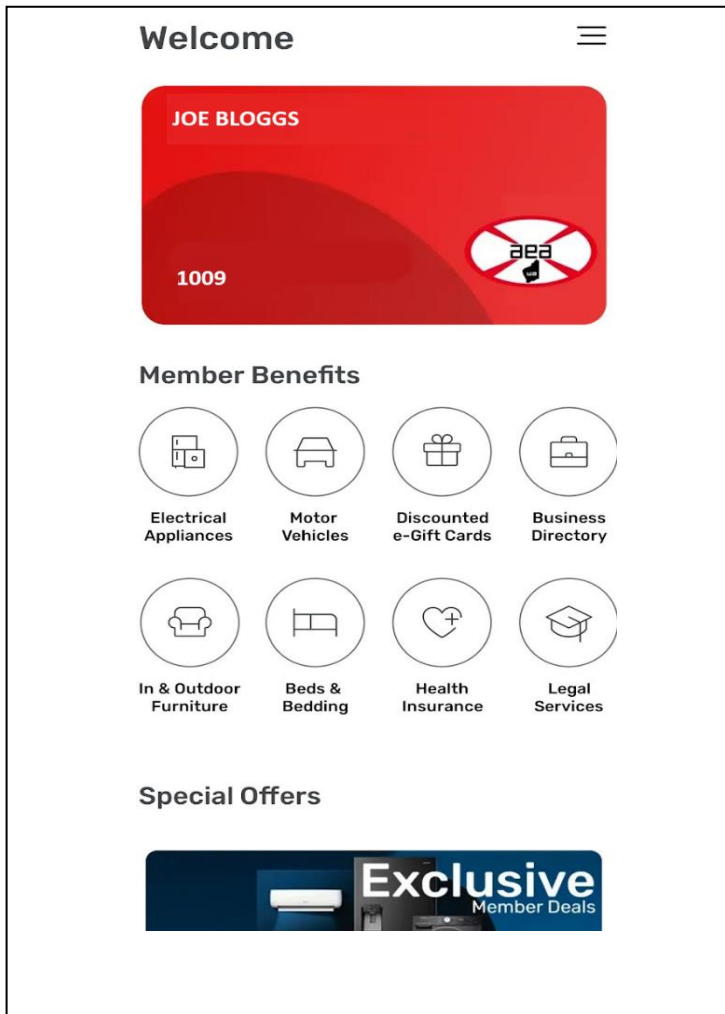

Step 3

Simply add in your details and start saving. If you would like to access **ShopRite** on your phone through the app just visit your apple store or play store and download the app. The correct app looks like this.

The app is relatively easy to use, you can scroll through all of the organisations you can access, and there is also an ability to provide **ShopRite** with an item you need, and they will look at the best deal they can offer.

The AEAWA reviewed an item on special (a microwave for \$281, the cheapest price) and **ShopRite** came back with a better offer for \$197.

Step 4

Your app screen on your phone, iPad, PC will look like this. Simply click on what items you like, and **ShopRite** will do the rest.

Any questions please talk to an AEAWA delegate.

If you enter your details into the register screen and the system does not have your details listed, please do the following.

1. Review your payslip to see if you are a financial member of the AEAWA. If the AEAWA are not on your payslip you cannot access ShopRite. You will need to join the AEAWA as a member www.aeawa.com.au/join.
2. If you are a financial member of the AEAWA and still cannot access ShopRite please email lee.waller@aeawa.com.au to organise your access.

The AEAWA Executive.
